A2H-7S1

Fax to: Not-For-Profit / Charity Moose Application
(709)-637-2099

Date

Signature of Applicant
(Authorized Signing Authority)

Moose Licences for Charities and Not-For-Profit Organizations Information for Applicants

Background:

A limited number of big game moose licences will be available to registered not-for-profit organizations within the province through a newly developed licensing system. Up to 250 licences will be made available throughout the province to qualified not-for-profit organizations. Those organizations may in turn utilize qualified resident big game hunters to secure the meat for charities and service groups who use it for fundraising purposes.

Regional distribution of the licences has been determined by a formula that considers both the sustainability of the moose resource, as well as the need for the licence as measured through human population distributions.

Who Can Apply:

Applications will only be accepted from incorporated not-for-profit or registered charitable organizations operating in Newfoundland and Labrador.

Non-incorporated committees and groups will not be eligible for a NFP Moose Licence. However, if they are affiliated in some way with a larger group that is incorporated, the larger group may apply on their behalf.

Application Procedure:

- Completed applications must be received at the Wildlife Division Headquarters Offices by 4:30pm NST May 6, 2011.
- Application must be signed by an individual authorized to sign on behalf of the organization.
- Licences will be awarded and mailed to successful applicants before the start of the 2011 Big Game Season. Unsuccessful applicants will be notified.
- Qualifying organizations must apply for a licence in one individual moose management area. If demand exceeds availability on a regional basis, a random draw will be held and the licences awarded until the regional allotment is utilized.
- Licences will be issued directly to the not-for-profit organization which, in turn, can designate not more than two qualified big game hunters at any one time to hunt the moose on its behalf.

Additional Information for Applicants:

- There is no fee associated with this licence.
- Unsuccessful applicants will not be accommodated in a 2nd or 3rd choice of management area.
- Licences not awarded in a region will not be carried over to future years or applied to another region.
- Each years draw process will be independent of previous draws, and no preferential consideration will be given to applicants unsuccessful in previous years.
- Licenses unfilled will not be carried over or honored in subsequent hunting seasons.
- Successful licence holders must submit a licence return detailing the results of the hunt.
- Existing provisions related to the distribution of harvested big game meat apply.
- All other laws of general application for hunting are applicable.
- Seasons will be consistent with those outlined in the 2011 / 12 Hunting Guide (<http://www.env.gov.nl.ca/env/wildlife/publications.htm>) for the management area in which the licence is valid.
